Representative Michael Waltz
213 Cannon HOB
Washington, DC 20515

Dear Representative Waltz,

Thank you for your service to our country!

Although not a constituent of yours, I write in support of your efforts to remove critical race theory from West Point.

Our second son and only daughter graduated at the Academy in 2001 and 2004, respectively. Both are Active Army LTCs.

My wife and I are Friends of West Point, a WPAOG designation, as of 2000.

Enclosed please find my letter, dated 09 October 2020, to the Chairman and President of WPAOG.

With warmest well wishes for you and yours, I am,

The Rev. David R. Graham
